NEWS LETTER

2022

INTRODUCTION

Mukabbir Schools have been established in 2016, to deliver the synchronous education with distinctive Islamic values, character building and empower learners distinguish between authentic and spurious through education, free from all prejudices with a focus on the holistic development of students. Mukabbir is a place where values are affirmed, young minds are enriched, and dreams take flight.

NEWSLETTER 2022

The Newsletter 2022 provides an outline of the activities that took place around the year and is undoubtedly a step forward in fostering a connection between the school, parents & community.

It is a big leap forward by the management to demonstrate how effectively we communicate with the school community. The newsletter primarily includes the pictorial highlights of the activities and events organized during the academic year 2021-22. It features the pictorial news of the various co-curricular and extra-curricular activities and programs such as theme-based preschool activities, one-day tours, teachers' training workshops, Hifz-e-Quran competitions, sports and much more. Please have a look and honour us with your valuable feedback.

SAHIWAL CAMPUS

IN CHARGE MESSAGE

Be strongly passionate to get educated. Education is not the “Numbers” written in your report card. It is the ability you have indulged in you. The world is waiting for you. Prepare yourself to lead them to the levels of prosperity. I believe in you. Allah has given you blessed opportunities. You are to believe in yourself. So that the whole world may respect your belief.

OKARA CAMPUS

IN CHARGE MESSAGE

Getting children into school is one thing, educating them is quite another. The former may be easier but the latter task is quite daunting nowadays. These are sensitive times and maintaining a balance between quality education and character building aligned with our religion is no easy feat as well as keeping in mind student's interest and comfort zone and Alhumdulillah Mukabbir is doing it well according to its vision.

BHALWAL CAMPUS

IN CHARGE MESSAGE

"To encourage the late bloomers, to frame the modest and to challenge the extraordinary" is the teaching belief. I have faith in upholding high values with an absolute assurance to strive to comprehend and advance the educational process, using team strategies, while wholly centering on student success.

Miss Ra'ana Khalid
(Bhalwal Campus)

DAA Mukabbir Schools is the backbone of our educational system. The personnel, at the department, researches, plans, implements, and evaluates all of the educational activities and strategies. The development phase is achieved successfully and now we are effectively and efficiently implementing our curriculum and pedagogical policies and strategies aligned with alternative ways of assessments and evaluation. Our whole school improvement plan goes through cut throat assessment and evaluation system during and after which our teachers and management are equipped with the updated knowledge & expertise.

ANNUAL PRIZE DISTRIBUTION CEREMONY

ANNUAL PRIZE DISTRIBUTION CEREMONY

The Annual Prize Distribution Ceremony at Mukabbir Schools, Sahiwal marks the celebration and recognition of a year long series of success and accomplishments of our students. The vision behind conducting the event is to instill a positive and healthy competition among students and to incentivize learning.

EARLY YEARS PROGRAMME

Pre School Activities:

Our preschool is composed of three early years' learning levels i.e. EY1, EY2 and EY3. Our curriculum is primarily focused on activity-based learning following pragmatist philosophy inspired by approaches of Montessori and Kindergarten. Curriculum is planned around children's interests, curiosity and their natural quest for knowledge; leading to inquiry, investigations, discovery and active hands-on explorations.

Purpose Built Classroom:

Learning Area

It has different areas i.e. Math corner, English corner, Educational Puzzle corner etc. Through which they can learn better and easily.

Activity rooms

It has MEGA activity rooms, in which kids have library, reader corner, stuff toys, big screen on which they can watch different stories.

Modern Technique Learning

In this, kids can learn through LED with online topics.

Psychomotor Skills Development Tools.

"Psychomotor" development refers to changes in a child's cognitive, emotional, motor, and social capacities from the beginning of life.

THEMATIC ACTIVITIES

The curriculum themes are designed in accordance with ages of children at preschool level. These concepts are incorporated into the young minds and are selected according to the cognitive and developmental level of kids with the help of stories, activities and audio-visual aids.

MYSTERY READER

Mukabbir School tends to involve students 'family in their kids' learning growth, as our curriculum is based on three-way approach. For the purpose of having fun reading day by surprising our kids with their family members.

Three-way Conference

Instead of parent teacher's meeting, we conduct three-way conference i.e. parent, child and teacher relationship. In this, students by themselves tell their progress through digital student portfolio.

Mukabbir Olympics

Physical education develops student competence and confidence to take part in a range of physical activities that become a central part of their lives, both in and out of school.

SAHIWAL

I choose Mukabbir school for my kids as I feel this academic institute as a name of completion. The spacious campus is so attractive. Curricular and co-curricular activities are beyond appreciation. School teachers and campus in charge are very cooperative and supportive. Activity base learning is a unique feature of Mukabbir school.
