Newsletter

Introduction:

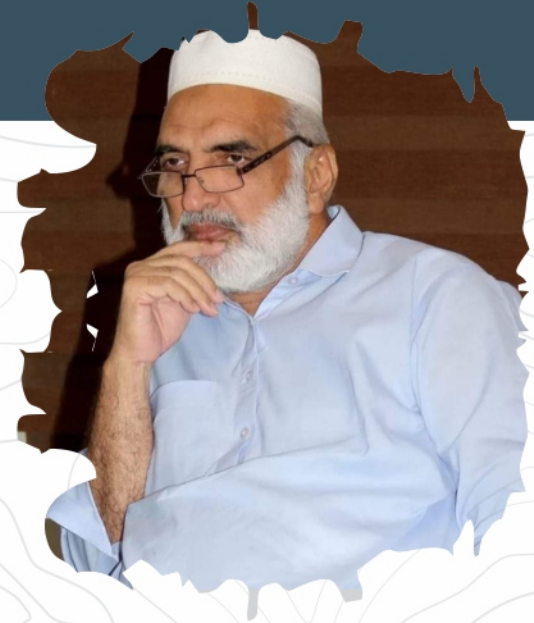

Mukabbir has been established in 2016, to deliver the synchronous education with distinctive Islamic values, character building and empower learners distinguish between authentic and spurious through education, free from all prejudices with a focus on the holistic development of students. Mukabbir is a place where values are affirmed, young minds are enriched, and dreams take flight.

Vision:

Our Vision is to develop youth by strengthening their faith in building their character through Islamic rules and academic excellence to lead and serve humanity for their success in this World and Hereafter.

Mission:

Our aim is to create a friendly learning environment where students could learn life skills i.e. social skills, respect, self-worth, empathy, critical thinking, creativity or realizing one's own potential and manage to distinguish them on the basis of knowledge, competence, Islamic values and moral standards.

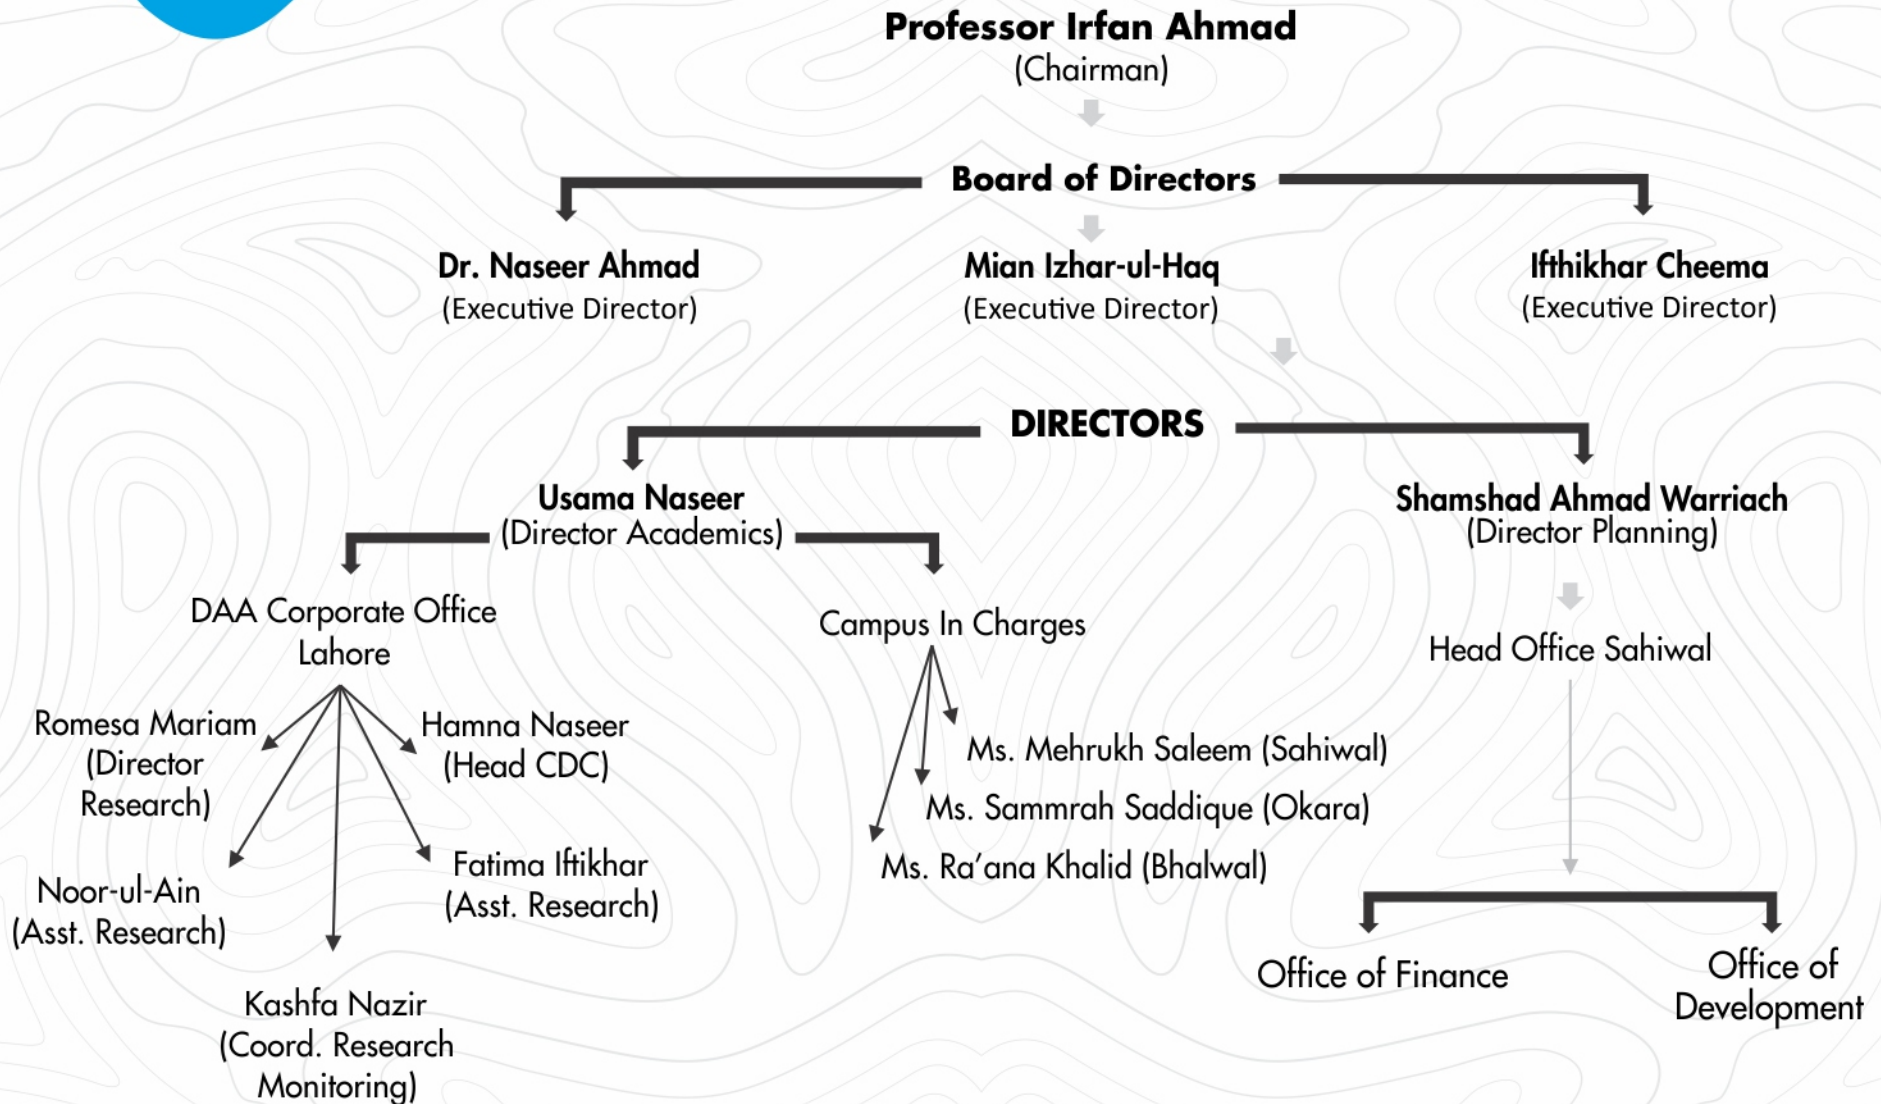

Prof. Irfan Ahmed

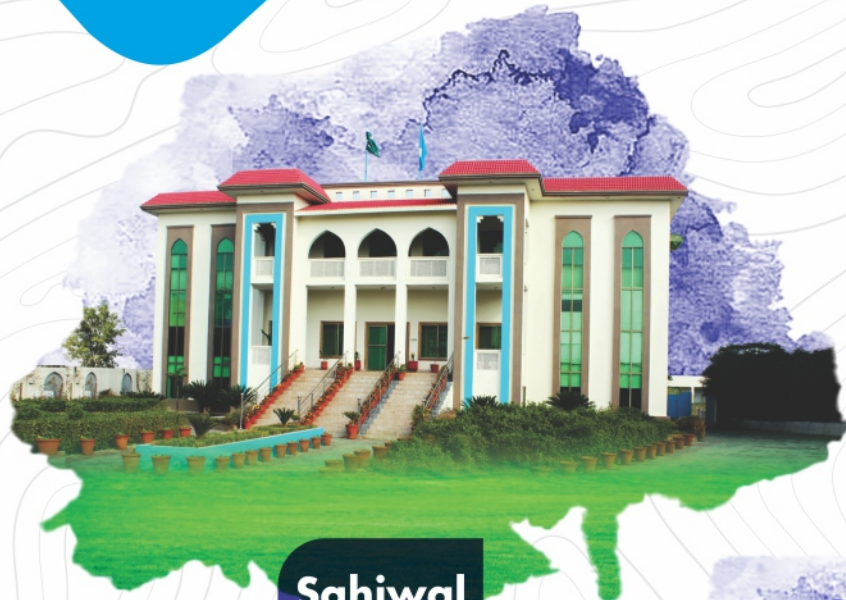

Chairman's Message:

Mukabbir is a name of total commitment and strong dedication, to achieve the sublime quality of moral excellence through the education of body and soul. Our beloved country Pakistan is the name of geographical territory based on the ideology of Islam. It is heartening to note that our enemy is bent upon damaging our ideology as well as our ideological heritage.

Early Years Program

Pre School Activities:

Our preschool is composed of three early years' learning levels i.e. EY-1, EY-2 and EY-3. Our curriculum is primarily focused on activity-based learning following pragmatist philosophy inspired by approaches of Montessori and Kindergarten. Curriculum is planned around children's interests, curiosity and their natural quest for knowledge; leading to inquiry, investigations, discovery and active hands-on explorations.

Three Way Approach

Its parental involvement in their child's studies which matters a lot in their physical and mental growth. We tend to focus on three-way relation. for that purpose, we plan three way conference.

Three Way Conference

Instead of parent teacher's meeting, we conduct three way conference i.e. parent, child and teacher relationship. In this, students by themselves tell their progress through digital student portfolio, and it also held manually.

Three Way Approach

Parenting Session

Tea with Moms in Bhalwal Campus. A psychologist joined us to help our mommies raise their kids and provided effective suggestion on parenting.

Three Way Approach

Mystery Reader

Mukabbir schools tends to involve students' family in their kids' learning growth, as our curriculum is based on three way approach. For the purpose of having fun reading day by surprising our kids with their family members.

English Proficiency Program

LSRW Skills on english languages

L-S-R-W is the four skills of language learning, a set of four capabilities that allow an individual to comprehend and produce spoken language for proper and effective interpersonal communication. These skills are Listening, Speaking, Reading, and Writing. In the context of first-language acquisition, the four skills are most often acquired in the order of listening first, then speaking, then possibly reading and writing.

Mukabbir School focuses on its students' learning not only in form of conventional education system, rather favours the idea of developing life skills and other 21st century skills through curricular or extracurricular activities. When it comes to 21st-century skills, we need to develop such learners who can handle challenges, navigate conflicts and communicate with impact.

Mukabbir school conducted different kind of games under LSRW, that enhanced children's skills regarding LSRW.

- **Spell Mania:**

It gives students an opportunity to learn and memorize in different ways, enhance their vocabulary and speaking skills and develop the use of correct pronunciation.

- **Speech Competition:**

It gives student the opportunity to enhance their speaking skills and build their confidence among the society.

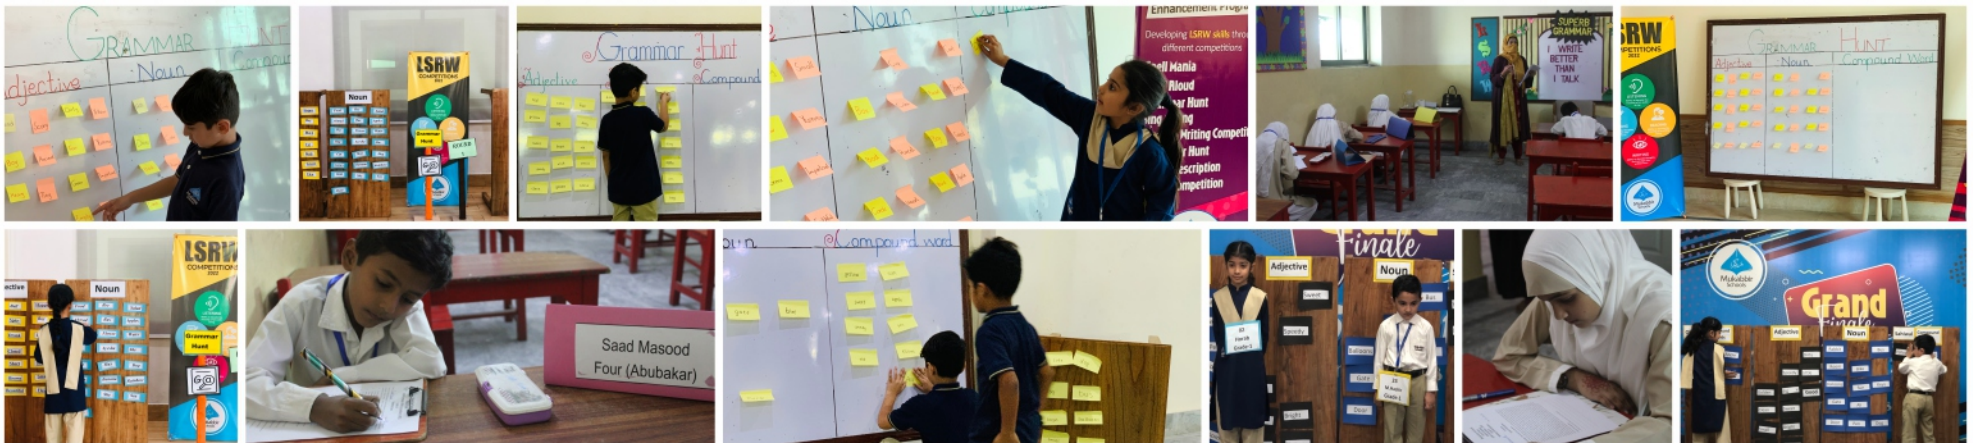

• Scavenger Hunt

A scavenger hunt is a game in which the organizers prepare a list defining specific items, which the participants seek to gather or complete all items on the list, usually without purchasing them.

• Grammar Hunt

Grammar provide learners with a structure to recognize as they learn to understand, speak and write new languages.

Mukabbir *Olympics*

Mukabbir Campus

For physical development of our little champions, We arrange annual sports event named as Mukabbir Olympics in the spacious grounds of respective campuses.

Physical education develops student competence and confidence to take part in a range of physical activities that become a central part of their lives, both in and out of school.
