Mr. Usama Naseer
LL.B (Hons) P.U. LL.M (Intl. Law) UK

As we conclude the 2023-24 academic year, my heart is filled with joy reflecting on our collective achievements. Our dedication to academic excellence, intertwined with a focus on Islamic and traditional values, has woven a tapestry of success. We take pride not only in educating but in molding students into individuals rooted in their Islamic legacy and proud of their Pakistani identity. In the words of Malcolm X, 'Education is the passport to the future, for tomorrow belongs to those who prepare for it today.' This sentiment encapsulates our vision — not merely shaping minds but nurturing proud, compassionate Muslims and Pakistanis.

The unwavering support of parents is pivotal in this journey, and we express our heartfelt gratitude for entrusting us with your children's education. Here's to continued growth, shared victories, and a future filled with promise.

Early Years Programme

Our early years programme is composed of three early years' learning levels i.e. EY-1, EY-2 and EY-3. Our curriculum is primarily focused on activity-based learning following pragmatist philosophy inspired by approaches of Montessori and Kindergarten. Curriculum is planned around children's interests, curiosity and their natural quest for knowledge; leading to inquiry, investigations, discovery and active hands-on explorations.

Theme Based Activities

The curriculum themes are thoughtfully tailored to correspond with the age of children. At the preschool level, we curate a variety of activities under each specific theme. These activities are meticulously developed and selected based on the cognitive and developmental levels of the kids. We incorporate engaging stories, interactive activities, and audio-visual aids to enhance their learning experience.

Academic Achievements

Competitions: *Mukabbir* offers a comprehensive platform that facilitates student engagement in a diverse range of national and international competitions. By participating in these competitions, students gain access to invaluable opportunities for personal growth, learning, and recognition.

Every year our talented *Mukabbirins* participate in these competitions and are awarded with performance certificates and medals. These competitions include: ***International Kangaroo Mathematics Contest (IKMC), IKSC, IKLC, HRCA Maths Olympiad, Rainbow Mega Events, Photography Kangaroo, and CATSO.*** The main purpose of these contests is to promote critical thinking, ignite curiosity and foster excellence. These contests also provide an international recognition to students and they are the proof that our students are not less than anyone in the world. Every student is different and has different interests. *Mukabbir* schools hold a strong belief that *let students explore their talents and unleash their creativity* and *Mukabbirins* have successfully lived up to that.

Extracurricular Activities

Clubs

Mukabbir schools encourage students to join student oriented activity clubs as a means of building friendships and fostering a sense of community. The administration is dedicated to creating a unified platform that allows students to explore their strengths and interests.

Debating Forum:

We provide a unique platform for students who possess strong communication skills and the ability to articulate their thoughts and ideas effectively. This platform offers a dedicated space for engaging in debates. Through this platform, our talented students showed outstanding performance in various debating competitions: i.e. SISA Olympiad, Speech competition held at Nazria-i-Pakistan Trust.

Sports Academy:

Engaging students in sports not only strengthens physical fitness but also cultivates sportsmanship. In order to meet this goal, *Mukabbir* schools have successfully established an official Sports Academy. Our academy aims to foster and develop the talents of our students, equipping them to excel in district and regional level competitions.

Events

Annual Function

The *Mukabbir* Annual function is an event held once a year to celebrate academic excellence, artistic talents, and other accomplishments. This is the special event where students are recognized and rewarded for their achievements.

Mukabbir *Olympics*

“

For physical development of our little champions, we arrange annual sports event named as *Mukabbir* Olympics in the spacious ground of respective campuses. Trips

Every year, *Mukabbir* schools organize national tours for students, providing them with mini getaways from normal learning environment and offering a source of mental freedom and enjoyment. On these excursions, students create lasting memories and seek new experiences. These field trips offer a different kind of learning even without realizing.

Three Way Approach

Three Way Conference

Active parental engagement is crucial for a child's physical and mental development. At our school, we prioritize a unique approach called the Three-Way Conference, where parents, students, and teachers collaborate to discuss progress. This innovative method replaces traditional parent-teacher meetings and incorporates digital student portfolios, allowing students to personally share their achievements while fostering meaningful conversations.

Parenting Session

Tea with Moms at Bhalwal Campus: Effective Parenting Suggestions. A psychologist joined us to assist mothers in nurturing their children and offering guidance.

Mother-child duo for cooking: A competition was held at Okara campus in which mothers and children joined forces to prepare food. A cheff from COTHM joined us to choose the finest cook among those duos.

Mystery Reader Programme

Embracing our three-way approach curriculum, we actively involve students' families in their educational journey. As part of our initiative to make reading enjoyable, we delight our kids by inviting their family members to become Mystery Readers.

شعبہ حفظ قرآن

As part of our commitment to Hifz students, *Mukabbir* employs a unique approach, integrating co-curricular activities and contemporary essentials into their conceptual education. Our meticulously prepared fortnightly activity-based plan is crafted to facilitate both learning and grooming. Additionally, a dedicated physical education programme is in place to ensure the holistic development of our Hifz students.

Teachers' Training Programme

Teachers training is a significant component in improving the quality of education. It not only enhances the pedagogical skills, but also helps to improve the content knowledge. Teachers' training is a continuous process, ensuring teachers to remain abreast of innovative teaching methodologies to inspire and guide the next generation of learners which is why *Mukabbir* Schools organize the trainings of teachers twice a year.

سیرت النبی (صلی اللہ علیہ والہ وسلم)

ہمارے پیارے نبی دنیا کی بہت عظیم ہستی ہیں۔ ہمارے نبی عرب کے قبیلہ قریش سے تعلق رکھتے تھے۔ ہمارے نبی سے ہی ساری دنیا میں اسلام پھیلا۔ اس کائنات میں آپ کی حیثیت بے مثال ہے۔ جو غار حرا سے طلوع ہوئی اور ساری دنیا میں بھاگ گئی۔ نبی کی زندگی انسان کے لیے بہترین نمونہ ہے۔ حضور کے اخلاق کی جتنی تعریف کی جائے کم ہے۔

اس دور میں بیٹوں کو زندہ دفنایا جاتا تھا۔ آپ کے آنے سے یہ دور ختم ہوا۔ آپ بچوں سے بھی بہت زیادہ محبت کرتے تھے۔ خاص طور سے یتیم بچوں سے بے انتہا پیار کرتے تھے۔ آپ صادق اور امین کے نام سے جانے جاتے تھے۔ آپ حاجت مندوں کی حاجت پوری کرتے، غریبوں کی مدد کرتے، مہمانوں کی مہمان نوازی کرتے اور درگزر سے کام لیتے۔ فتح مکہ کے موقع پر آپ نے اپنے دشمنوں کو بھی معاف فرمادیا۔

پس ہمیں آپ کے نقشے قدم پر چلتے ہوئے اپنی زندگی بسر کرنی چاہیے۔

ماں

ماں نام ہے پیار کا محبت کا اور قربانی دینے والی کا جو کہ مانتا سے بھرپور ہے۔ جو اپنی زندگی دوسروں کے لیے جیتی ہے۔ خود کو بھلا دیتی ہے۔ ماں کے بارے میں کیا کہوں میرے پاس الفاظ کم پڑ جائیں گے ماں کے بارے میں بتاتے بتاتے۔ ماں کی محبت بے لوث ہے۔ جسے ہم چاہ کے بھی نہیں ماپ سکتے۔ نہ تو ماں کی محبت کو لفظوں میں ہم پروا دے سکتے ہیں اور نہ ہی دنیا میں کوئی ایسا پیمانہ ہے جو ماں کی بے لوث محبت کو ماپ سکے۔ وہ چو لہے کے آگے کھڑی ہو کر کتنی محنت سے کھانا بناتی ہے۔ لیکن پھر بھی اف تک نہیں کرتی اور تب بھی یہی سنے کو ملتا ہے کہ وہ تو پورا دن گھر میں فارغ رہتی ہے۔ ماں پورے خاندان کا مرکز ہوتی ہے۔ ماں ہی اس دنیا میں واحد رشتہ ہے جس میں کسی قسم کی کوئی غرض شامل نہیں۔ ماں ہی وہ ہستی ہے جو خود ہر قسم کی تکلیف برداشت کر لیتی ہے اور ہماری آنکھ میں آنسو تک نہیں آنے دیتی۔ ماں اپنی خواہشات مار دیتی ہے۔ اور اپنے بچوں کے لیے خود کو وقف کر دیتی ہے۔ وہ خود کے لیے کہاں جیتی ہے وہ تو خود کو بھلا کر اپنے بچوں اور خاوند کے لیے جینا شروع کر دیتی ہے۔ تو کیوں پھر ماں کے لیے کوئی آواز نہیں اٹھاتا۔ جبکہ وہ صبح سے شام تک مسلسل کام کرتی ہے۔ کیا ہمارے اسلام میں ماں اور عورت کا یہی مقام ہے۔ اسلام نے تو ماں کے پاؤں تلے جنت رکھ دی ہے۔ تو پھر کیوں ہمارا معاشرہ عورت کو اور ایک ماں کو دبا کر رکھتا ہے۔ ماں گھر کی صفائی کرتی ہے۔ ناشتہ بناتی ہے۔ بچوں کو تیار کر کے سکول بھیجتی ہے۔ کھانا بناتی ہے۔ کپڑے دھوتی ہے۔ استری کرتی ہے۔ برتن دھوتی ہے اور گھر کے کئی کام کاج کرتی ہے۔ یہاں تک کہ جب بچہ پیدا ہوتا ہے تو اس کے لیے رات بھر جاگتی اور پھر صبح جلدی اٹھ کر دن بھر گھر کے کام کاج کرتی ہے اور کبھی کسی سے گلہ تک نہیں کرتی۔ کیا یہ ماں کے علاوہ کوئی اور کر سکتا ہے۔ آخر ماں تو ماں ہے ماں کی جگہ بھی بھی کوئی نہیں لے سکتا۔۔۔۔۔
